Dear Fred:

The purpose of this letter is to express my appreciation for the services you have rendered to me and my clients as well as to other members of this firm over the years in evaluating construction issues and disputes. Your knowledge and professionalism make you a valued asset for any attorney practicing in the field. When I have had occasion to refer clients directly to you to obtain an opinion on an issue they have universally expressed their appreciation to me for the referral. Thank you for your fine work on their behalf.

Very truly yours,

G. Gordon Harrison
